

2. Across the Divide medical questionnaire

NB please insert your charity name and trip destination into this document for ease of identification.
(In confidence when complete)

Please complete this questionnaire and return it with your registration form and fee. It is for your own safety that we find out as much as possible about your medical history. This will ensure that you can cope with the rigours of the trek. All your answers will be treated in the strictest confidence and will not necessarily adversely affect your chance to take part. We will attempt to accommodate everybody, but do reserve the right to refuse participation on medical grounds if we feel your safety, and that of the group, may be compromised. Any decision made will be in consultation with you and your GP. Should any of your medical details change after you have completed this form then you must inform us.

Failure to divulge the full details of any medical condition from which you suffer will invalidate your insurance.

Please use BLOCK CAPITALS

Personal details

Name			
Date of birth		Age	
Daytime phone number		Evening phone number	
Name of your GP		Your GP's phone number	
Event name

Relationship	

In the event of an accident of illness while on the trip, I hereby give permission for Across the Divide Ltd medical or expedition staff to initiate medical treatment and to inform my next of kin in case of hospitalisation.

To the best of my knowledge this is a true and accurate description of my medical history and current condition. I understand that I am also responsible for

Participants must agree to inform Across the Divide of any medical or other condition that might affect their ability to take part in the event.

Please return this form with your application.

TO BE COMPLETED BY THE FAMILY DOCTOR/PHYSICIAN WHO HAS ACCESS TO THE PATIENT'S MEDICAL HISTORY.

*This section ONLY needs to be completed if you are over 60 **OR** have answered 'YES' to any of the questions on the medical form.*

The above named person will be participating in a charity fundraising trek lasting 11 days, during which time he/she will be subject to basic camping and living conditions. Physical activity will involve trekking for approximately eight hours per day over rough and often mountainous terrain. The trek will also involve extremes of temperature, climate and altitude.

Participants will only have access to basic facilities, such as long drop (outdoor) toilets and primitive washing facilities. They will be living under canvas. Food will be cooked over open fires and/or gas burners. The company organising the trek (Across the Divide Limited) provides at least one suitably qualified doctor for each trip to provide emergency first aid/medical care and to ensure high hygiene standards are taught and maintained. The trekking area is likely to be a considerable distance from any hospital/medical back up.

Based on the above information, if there are any matters that you feel Across the Divide should be made aware of, please supply these on a separate sheet. If you require any further details please call Across the Divide on 01460 30456.

I have read the participant's medical questionnaire and agree that the details are correct. In my opinion this patient is in a fit mental and physical state and capable of participating in the event described above.
